

## Performance Data

As an independent specialist school, the focus of our teaching and learning is preparing students for adulthood and equipping them for life in 21st Century Britain. When they are ready and able, our students take SATs, GCSEs and a host of other qualifications and certificates.

Please be aware that because we are a small school with small cohorts there are occasions when individual students could be identifiable from the publication of performance data. In these circumstances, to protect our students' identities, this data is suppressed.

Esland Daven School opened on 6th March 2023.

## KS2 (end of primary school) results 2023-2024

- Number of students: 1
- Progress scores: 0% achieved at least the expected standard in reading, writing and Mathematics. 0% achieved a higher standard in reading, writing and Mathematics
